

Welcome to South Dublin Libraries

Fáilte chuig Leabharlanna Chontae Átha Cliath Theas

Need to scan my documents?

The Library provides a number of scanners for your use free of charge.

Library Events

The library is delighted to bring you a wide range of events throughout the year. These include book festivals, lectures, arts & crafts, children's activities, exhibitions, computer and language classes and online language learning. The list is too long to mention here.

Please check out our website at www.southdublinlibraries.ie for a full list and also our monthly brochures.

What's the catch?

Apart from a small fine for items not brought back on time/renewed on time, there is no catch. We welcome you to enjoy all of the services our libraries have to offer for free.

What can staff do for me?

Our staff members are here to assist you in every way and ensure you get just what you need from the library service. Remember any query you might have, no matter how big or small, please don't hesitate to ask a member of staff for assistance.

What happens if I lose my card?

If you lose your card you will need to show proof of address to have it replaced. Remember, your library card gains you access to all the library offers, so don't forget it.

Love reading and sharing?

We can help you find a local reading group. South Dublin County Libraries support many book clubs, both external and library-based.

Renewing & reserving items?

No one has a lot of time on their hands these days, so we've made it even easier to use the library service in person, over the phone or online 24/7 using your library card and pin. You can also search the catalogue and reserve the items you are looking for online. You can return your loans to any South Dublin Library.

What if I can't find what I'm looking for?

Remember, your library card allows you access to more than just South Dublin Libraries' stock. If you don't see what you are looking for, staff members will be happy to help.

How do I use the self service in the Library?

Many of our branches have self service machines. The self service helps you to avoid the queues by letting you borrow, return, renew your items and pay your fines. It's simple to use and don't forget that staff will be happy to assist you in any way.

How do I use the PCs and WiFi?

If you don't have access to a computer at home or would like to learn more about computers and the Internet then look no further. You have access to computers and the Internet in all of our libraries. Free online courses are available to help you get to grips with day to day internet use. All you need to access our PCs and WiFi is your library card and PIN.

Printing and Photocopying?

There is a small fee for printing and photocopying services, check with your local library for the price.
